Safe and effective foam air filter cleaner

Description

NEW! Spectro Air Filter Cleaner is a highly effective cleaner for foam air filters. It is free of solvents, non-combustible and is biodegradable. Using this product regularly will extend the life of the foam air filter.

Product features

- For use with foam air filters
- Effective cleaner
- Safe and ready to use, biodegradable
- Solvent-free
- Extends the service life of foam air filters

Application

Wearing protective gloves, pour the cleaner into a pail and submerge the dirty filter completely in the solution and allow it to soak for 10–15 minutes. Squeeze the filter several times to remove water (do not wring). Repeat the process as necessary. Rinse with clean, cool water until any residue has been completely removed. Let filter dry and then oil with Spectro Air Filter Oil.
